

Health and Safety Policy Statement

Willerby Landscapes recognise that Occupational Health & Safety forms an integral part of the company's business performance. It is incorporated into all the company's activities, from the initial planning to the final completion of operations in accordance with current Health & Safety Legislation, relevant Codes of Practice & Guidance.

The Board has nominated Mr Matthew Ainscow as Director for Health & Safety to oversee & take responsibility for all matters related to Health & Safety within the company. In his absence one of the company's Health & Safety Managers will deputise

To achieve this, Willerby Landscapes are committed to:

- Providing such information, instruction, training & supervision as may be necessary to ensure the Health & Safety at Work of all its employees & sub-contractors.
- Providing & maintaining safe plant equipment, machines & tools.
- Providing a safe working environment & safe system of work for all activities.
- Ensuring provisions are in place for the use, handling, storage & transportation of materials and hazardous substances.
- Identifying hazards, assessing risks & where reasonably practicable, eliminating or reducing risk to a tolerable level.
- Providing Personal Protective Equipment (PPE) to enable employees to carry out their work safely.
- Putting in place preventative measures to prevent accidents & work-related ill health, now & in the future.
- Providing employees with occupational health surveillance where necessary.
- Carrying out continuous improvements to maintain a safe & healthy working environment for its employees & sub-contractors
- Revising & amending this policy statement as often as may be appropriate.

Willerby Landscapes recognise that its employees are the most important asset to the company. It therefore provides arrangements which enable employees to raise issues relative to their & other's health & safety whilst at work.

The completion of any task must not compromise the Health, Safety & Welfare of the workforce.

Willerby Landscapes employees must comply with the company's commitment for managing health & safety & take reasonable care of themselves and others who may be affected by their actions.
